SUPERVISOR JURSIK PROUDLY CELEBRATES THE 25TH ANNIVERSARY OF THE AMERICANS WITH DISABILITIES ACT

Milwaukee County Supervisor Patricia Jursik will be a keynote speaker at the 25th Anniversary of the Americans with Disabilities Act (ADA) and Independence First celebration on Sunday, July 26, 2015 at 2:00 p.m. at Wil-O-Way Grant Park in Cudahy.

Supervisor Patricia Jursik will be joined by speakers from Independence First to celebrate the "All Abilities Fest," the 25th Anniversary of the ADA and the progress toward inclusiveness in our society for all persons with disabilities.

The "All Abilities Fest" will be held in conjunction with South Milwaukee Heritage Days. All of South Milwaukee has been invited to attend the fest at Wil-O-Way to celebrate the history of South Milwaukee, a city that takes pride in its history and inclusive tradition with programs for the disabled community at Grant Park's Wil O Way.

"Milwaukee County has a long history of supporting persons with disabilities. In this support, our citizens are blessed by the efforts and dedication offered by those with disabilities," Jursik said. "Accommodating disabilities is not only the right thing to do, but also results in many new gifts offered by energetic citizens who are motivated to share their strengths in our community. Let's all celebrate this 25 year history."

Milwaukee Public Theater is the entertainment coordinator for "Ability Fest". Come and enjoy the amazing line up of entertainment, arts, activities, exhibits and vendors throughout the day. Fun for everyone!
